Dear Athira,

On behalf of the University of the Fraser Valley, I am writing with sincere congratulations upon learning that you were recently awarded UFV's 2023 Student Research Day **Dean, Faculty of Business and Computing Award** for your research project titled *Factors affecting the happiness score of a country*.

We are proud of our students and so pleased to see you recognized with this award. At UFV our mission is to engage learners, transform lives, and build community, and you represent real-life examples of our impact.

Best wishes for continued success in your studies and future endeavours.

Sincerely,

A handwritten signature in black ink, appearing to read "James Mandigo".
